B.P.H.E. SOCIETY'S AHMEDNAGAR COLLEGE, AHMEDNAGAR
DEPARTMENT OF MATHEMATICS

National webinar on Data Science and Machine Learning

The Department of Mathematics, Ahmednagar College Ahmednagar, invites you to attend the Webinar on Data Science and Machine Learning (Pythonic Approach) that is scheduled on **15th December, 2020** via 'Google Meet'. The webinar will begin at **11:00 am** sharp.

The process of joining the webinar is as follows

➢ For registration, please click on the link https://forms.gle/E9BM3G4NwmWDXvyK7
➢ Install Google meet application in your smartphone
➢ To join the meeting, Click meet.google.com/ocy-xock-ruj

Instructions for the Participants:

1. Please join the webinar sharp at 10:50 am through the Google meet link provided above
2. Participants are requested to keep their audio and video off throughout the event.
3. To ask questions to the speaker, please type your questions in the chat box of Google Meet. The chair of the session would convey the questions to the speaker. And feel free to ask questions.
4. Registration is required for getting e-certificate and will be issued at the end of the program immediately after filling the feedback form provided during webinar

Speaker will share their expertise covering all the aspects of Data Science & Machine Learning.

Note: Please note that recording of the live interaction will not be made available for viewing afterwards. Thus, please be sure to mark the date and time in your calendar.

For any Queries related to Webinar, feel free to reach out at
