

Department of Physics
Ahmednagar College, Ahmednagar
Academic calendar (2018-19)

Month	Days	Activity
May 2018	Fourth week	Preparation of M.Sc. entrance examination
June 2018	First week	Conduction of M.Sc. Entrance examination
	15 th June 2018	Beginning of Semester-I
	First /Second Week	Admissions of B. Sc.
July 2018	First/Second Week	Admissions of M. Sc.
	First Week	Commencement of Classes and practical of UG
	15 th July 2018	Commencement of Classes and practical of PG
August	Third Week	Internal assessment Test-I for UG
September	First Week	Internal Assessment test-I for PG
	Second/Third Week	Workshop/ Seminar/ Guest Lectures
	Fourth Week	Internal assessment Test-II for UG
October – November	First Week	University Examination (Theory)– UG
	Third Week	Internal Assessment test-II for PG
	3/11/2018	Conclusion of Sem-I
November	4/11/2018 – 28/11/2018	Diwali Vacation
November	Third/Fourth week	University Practical Examination PG
	29/11/2018	Beginning of Semester-II
	Forth Week onwards	University theory examination -PG
	29/11/2018	Commencement of Classes and practical of UG
December	Second Week	Commencement of Classes and practical of PG
	23/12/2018 – 02/01/2019	Christmas Vacation
January	Second week	Internal assessment Test-I for UG
	Third week	Study tour/Industrial/Institute visit
	Third week	NGPE examination for UG students
February	Third week	Internal Assessment test-I for PG

	Third week	Science project exhibition of UG
	Fourth week	Workshop/ Seminar/Guest lecture
March	First Week	Internal assessment Test-II for UG
	Second/Third Week	University Practical examination-UG
	Third Week onwards	University Examination (Theory) – UG
	Forth Week onwards	University Practical Examination PG
April	First Week	Student's seminars
	Second Week	Internal Assessment test-II for PG
	30/4/2019	Conclusion of Sem-II
May 2019	First/Second Week	University theory examination -PG

Implementation of Academic Calendar

1. Students and teachers are provided with the academic calendar in the beginning of academic year.
2. Teachers are informed to follow schedules mentioned in the academic calendar and prepare their teaching plan accordingly.
3. The dates of internal assessment tests are announced, well in advance, by bringing out notices for students as well as teachers.
4. The dates of Filling examination forms and the actual University examinations (Theory & Practical) are announced to the students by displaying the notices/circulars issued by University, on the student's notice board.
5. The schedule of events mentioned in academic calendar can be changed, if needed, after consultation of concerned teachers/ students by the head of the department.
6. The list of events mentioned in the academic calendar is not exhaustive. Certain events can be added as per necessity.

Academic calendar
2023-24**

Month	Days	Activity
June 2023	20 th	Beginning of Semester-I
	Second /Third Week	Admissions of B. Sc.
July 2023	First Week	Orientation and counseling of F. Y. B. Sc. students
	Second Week	1. Commencement of M.Sc. –II Classes. 2. Commencement of Classes and practical of F. Y. B. Sc. 3. Commencement of T.Y. B.Sc. Classes
	Third/Fourth Week	1. Preparation for admissions (Giving notice about the admissions) for M. Sc-I. 2. M.Sc.-I Admission
August	First week	1. Commencement of M.Sc. –I classes
September	First Week	Internal Assessment test-I for UG & PG
	Second Week	Workshop/ Seminar
	Third week	Guest Lectures Ozone day celebration
	Fourth Week	Internal assessment Test-II for UG Enrico Fermi Birth Anniversary
October	First & second Week	Internal Assessment test-II for UG & PG Niels Bohar Birth Anniversary
	Third & Fourth Week	University Practical Examination – UG & PG
	31/10/2023	Conclusion of Sem-I
November	1/11/2023 – 21/11/2023	Diwali Vacation University Theory Examination UG & PG
November	Fourth week 22/11/2023	University Practical Examination PG Beginning of Semester-II
December	First Week	Commencement of Classes and practical of PG &UG
	Second week	Guest Lecture
	Third week	Sports activities/ educational tour/visits Parent meet
	Fourth week	Christmas Vacation

January	First week	Satyendra Nath Bose birth anniversary celebration
	Second week	NGPE examination
	Third & fourth week	Birth anniversary of Bose
February	First week	Quiz competition
	Second week	Guest lecture
	Third week	Internal Assessment test-I for UG & PG
	Fourth week	Science exhibition Science Day Celebration
March	First and second Week	Student's seminars
	Third week	Einstein's Birth anniversary
	Fourth week	World Meteorological Day celebration
April	First Week	Internal Assessment test-II for UG & PG
	Second Week	Program on solar eclipse
	Third and fourth week	Max Plank Birth Anniversary University Practical Examination
	30/4/2024	Conclusion of Sem-II
May 2024	02/05/2024	University theory examination
